

EXECUTIVE & PROFESSIONAL RECRUITMENT SERVICES FOR STATE & LOCAL GOVERNMENT SERVICES

About Us

Since 1998, Australia Personnel Global (APG) has provided, holistic workforce management solutions and recruitment services to industries Australia-wide. Our mission is to partner with public council & government entities to build focused and engaged workforces. Our Government Recruitment team is experienced across many industries including Construction, Human Resources, Transport, Logistics, IT, and Education.

APG Professional Experience

At APG, we provide a unique service with a full workforce management solution. A bespoke offering that works in partnership with Human Resources and Personnel Departments to meet all government staffing needs. We believe a key point of difference is our APG certified Compliance System, giving assurity that internal and external auditing requirements have been incorporated as part of the recruitment process. We work with council, state & federal government entities to understand their unique requirements in order to achieve successful outcomes.

APG Compliance Certified

APG has a sourcing and selection process that ensures all employees placed with government organisations hold required qualifications and licenses, have relevant, verified experience and all required probity checks are completed prior to presentation to our Government partners.

We also have a contractor management system which is regularly audited for verification, archiving and validity of all staff material obtained as part of our recruitment process.

Workplace Values

Teamwork

Through consultation, understanding and being accountable to each other.

Integrity

Building trust and relationships through honesty and integrity.

People

We value our people, customers, colleagues and their families. Remember, people are at the core of everything we do.

Passion

We embrace change and innovation in our pursuit of continuous improvement.

Safety

A safe and healthy workplace is a right.
